Gentlemen:

Having been in business for many years, we always dreaded a fire loss: and when we were summoned to our place of business by reason of a fire next door, we were at a loss to know how to handle our adjustment.

We must say that the prompt and efficient service rendered by your organization was greatly appreciated. Your prompt service enabled use to continue our business without interfering with the adjustment of our loss.

We wish to thank you again for what you have done for us and will be pleased to have you refer others to us for recommendation.

Very truly yours,  
Wilf Brothers
